

Heather

Heather is a top-dyed worsted spun wool yarn. The heather effect is created by blending together many different shades to achieve each unique yarn color.

All colors in Heather are available in 2/8 and 3/8. *2/20 weight Heathers are available in colors designated with an asterisk.

*2/20 — approx. 5,600 yds./lb. — 1 lb. cones
2/8 — (approx. fingering weight)
approx. 2,240 yds./lb. — 1 lb. cones
3/8 — (approx sport weight)
