

Heather

Heather is a top-dyed worsted spun wool yarn. The heather effect is created by blending together many different shades to achieve each unique color. 100% medium grade wool. Dry clean or hand wash in cool water and lay flat to dry. These yarns will loft and become softer after washing.

All colors in Heather are available in 2/8 and 3/8 weights. *2/20 weight Heathers are available in colors designated with an asterisk.
